

## AMARA SANCTUARY RESORT SENTOSA

Since its opening in 2007, Amara Sanctuary Resort Sentosa has brought the rustic feel of a true resort and blended it with the convenience of a five-star boutique resort. Designed by Japanese architect Miyake Masaki, the minimalist design elements lend Amara Sanctuary a feel of modern luxury. Amara Sanctuary is where the nature and Asian hospitality meet quaint colonial charm.

The award-winning resort's 140 beautifully designed guest rooms, suites and villas paired with comprehensive facilities provide the ultimate in luxurious stay and corporate retreats. A dedicated MICE building with state of art facilities can accommodate conferences for up to 850 guests in its 6-metre high Grand Ballroom and seven function rooms for corporate meetings and events. One of the highlights of Amara Sanctuary Resort Sentosa is the stunning Glass Pavillion tucked within the lushly landscaped grounds – making it the most romantic and elegant wedding or event location.

The Glass Pavillion is furnished with stylish transparent Philippe Starck-designed 'Louis Ghost Chairs' and can seat up to 40 guests or provide standing room for up to 60 guests. Adding to its charm is an antique bell that was restored from the oldest chapel on Sentosa Island and a waterfall that serves as a picturesque backdrop to the pavilion.

The resort features four outdoor swimming pools. The rooftop infinity pool comes with stunning views of the South China Sea and is reserved exclusively for adults. The dream pool and a children's pool are located in the resort's landscaped tropical gardens. The Larkhill Terrace infinity pool is reserved strictly for Larkhill Terrace guests only.

Amara Sanctuary Resort is nestled beautifully on a hillside, surrounded by 3.8 hectares of gardens and natural tropical rainforest, which is home to peacocks and parrots as well as other native fauna and flora. Amara Sanctuary's unique character derives from an exotic blend of colonial architecture and modern design concepts, as well as comprehensive hotel facilities that come together to shape an ideal resort experience. The lush tropical gardens are stocked with many unusual tropical plants and help to create the atmosphere of an exotic island retreat with a sense of peace, tranquility and true luxury.
